

Thank you for joining us for the 2022 edition of the GermanAire VW cruise through Niagara. To report any issues during the cruise such as a breakdown, huge gap in the line of VWs, etc please call or text Greg at 647-998-2847. We are going to try to make sure that every 10 cars or so has a copy of the directions in case the line gets broken up.

DIRECTIONS:

-  Right out of the park onto Mountain Road
-  Right onto Garner Road
-  Left onto Warner Road
-  Right onto Taylor Road

Follow Taylor Road, continue under the QEW

-  Left onto Stewart Road, which is only 500m past the QEW you just drove under

Stewart Road will take us past the area famous Avondale Dairy Bar

-  Right onto Lakeshore Road
-  Right on East and West Line (across the street from Quiet Acres produce stand)
-  Left onto Four Mile Creek Road. This is a 4 way stop and we may get broken up. Stay on course and we will regroup soon on Queen Street.
-  Right onto Lakeshore Road
-  Left onto Shakespeare Avenue (pretty much the first road on your left after all the trees)
-  After the right hand curve in the road, Left onto Niagara Blvd

 Veer Left onto Queen Street and follow around the right hand curve. We will stop here to regroup and for photos before heading through downtown Niagara-On-The-Lake

Stay on Queen Street as it turns into Queens Parade, then the Niagara Parkway after downtown NOTL. Follow the Parkway all the way up to Queenston.

 Just before the traffic circle, veer right into the parking lot at Queenston Heights to park, stretch your legs, and regroup. This is just a break and should not last longer than 15 minutes ideally.

 Out of parking lot, take the 2nd road at the traffic circle and follow the Niagara Parkway

When the Parkway opens up to 2 lanes in one direction, try to double up side by side to keep the VWs together and it will make for better pics and video as we pass by the falls.

 Right onto Dufferin Isle Road

 Right onto Niagara Parkway

 Right onto Portage Road, which eventually turns into McLeod Road

At this point, if you want to continue to the QEW and head home, or back to the campground, stay on McLeod Road and it will take you to the QEW. To go back to the host hotels, turn right on Stanley. Otherwise, if you want to head back to Firemen's Park follow along...

 Right onto Dorchester Road and follow back to Firemen's Park

**Thank you for participating and see you tomorrow for the GermanAire Car Show and Social!
Be sure to follow us on IG @niagara_germanaire_vw_events and on FB at Niagara GermanAire Car Show & Social.**
